

The Grand National Festival

Thursday 3rd – Friday 4th – Saturday 5th April 2008

The Corbiere Suite, located on the third floor of the Lord Sefton Stand, proved a great success with our existing and new clients when it opened for the 2007 Grand National Festival.

Once again this superb suite offers an outstanding view of the whole racecourse from the luxury of our private balcony, allowing your clients to enjoy their hospitality whilst watching the horses as they fight for first past the winning post.
